

Jayne Hughes Bio

Jayne Hughes is the owner of Bobcaygeon's newest shop, Briarwood & Bay. Briarwood & Bay is a home & lifestyle brand dedicated to inspiring people to build spaces and practices that bring peace, coziness, and beauty to their daily lives.

After leaving the corporate world at the height of the global pandemic, Jayme's passion for design and decade-long communications career led her to the inception of Briarwood & Bay. The store is located at 42A Bolton Street and offers a variety of home decor and self-care items.

Jayne Hughes talk theme

Incorporating natural elements into your home design & decor.

One question: Can you please let me know the technology requirements for delivering the talk? I have a laptop I can bring along to connect to a projector or I can bring the presentation on a usb stick if required.

Thank you,

Jayne
